

HOUSING FORUM ON THE ROAD

2023 AGENDA

The MJ Sorority Housing Forum is intended to provide a forum for discussion and exchange of ideas and best practices among inter/national sorority and fraternity property leaders.

Now, more than ever, our collegiate members, volunteers, and employees need guidance and support during these challenging times, and their fraternal facilities can serve as a haven from the stresses they may be facing on campus.

Given the dynamic risk management climate and MJ's mission to protect our clients, their members, their employees, their properties, and their volunteers, we have developed an ongoing educational series, *Housing Forum on the Road*. We plan to host property-related risk management conversations every month on the first and third Wednesdays of the month from 1-2PM ET.
